POLICE REPORT

TOWN OF ERROL

1982

To the Folks of Errol

Another year has past and we of the Errol Police Department have enjoyed the same kind of cooperation and friendship from the fine People of Errol as we have in the past. How pleasant it is to watch people pulling together to make our little town in the North Country such a friendly place in which to live and to visit. We thank the writers of *Errol Echos* and all the people who have been so great in 1982.

Your Police Dept. has been proud to have been a part of your community and we look forward to serving you again in 1983.

ACTIVITY 1982

150 calls	11 Breaks	12 Thefts	10 Accidents
	27 Domestic	19 Court	

TOWN OWNED EQUIPMENT

Same as last year.

BUDGET REQUEST

Again we are pleased to advise you that we are not asking for an increase in our budget.

We request the same as last year, the sum of \$5,500.00.

Respectfully Submitted:

Chief Arthur Jodrie

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passes by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

ERROL SCHOOL DISTRICT REPORT SUPERINTENDENT OF SCHOOLS

To the Citizens of the Errol School District:

It has been a pleasure to have served your community for another year and to have worked with many of you and for many of your children.

During the past year we have moved another step forward in our efforts to provide you and your children with an improved educational program at a cost the community can afford. There remains much to be done, however, and some of these areas will be addressed later in my report.

Public education provides one with the opportunity to work with people, particularly young people. It has and continues to be a joy to see so many of them grow up to be such fine young men and women. I am sure many of them will do well in life and make you proud of them.

SCHOOL WARRANT

Only one article in your warrant this year needs to be elaborated upon and that is Article 9. This article makes a request for the sum of \$636.00 to begin a kindergarten program in your school beginning in the fall of 1983. The need for such a program comes from an increasing amount of evidence that Errol children could benefit greatly by being provided an opportunity to begin their school experience a year earlier. This would be particularly true in the areas of social skills and readiness for school.

If the article were approved, the grade structure of the school would have to be altered. Mrs. Sweatt's room would hold grades K-2 and Mrs. Ham's room would hold grades 3-6. The total numbers of children in each room would not exceed 10-12 and thus could be handled reasonably well.

The kindergarten program itself would actually begin during the second half of the year and be scheduled during the afternoon. This is to allow the early part of the day to be used for the children in grades 1&2 but just as importantly to schedule the

kindergarten during the latter part of the year to enable the greatest amount of carry over by the children to grade 1.

The importance of a kindergarten program to your children can not be measured in dollars, which in this case, are minor indeed. I can only suggest that all of you take the time to become familiar with such a program before the annual meeting and to support what you feel is best for your children.

RETIREMENT OF SCHOOL DISTRICT TREASURER

During the past year your school district was unfortunate to have lost its treasurer, Mrs. Barbara Barnett. Mrs. Barnett served the community for more than 20 years. Her service should not go unrecognized and should stand as an example of dedication for all of us.

The Errol School Board and I, on behalf of the community as a whole, wish to express our thanks and appreciation to Mrs. Barnett for her many years of service. We all wish her well.

STATUS OF ERROL HIGH SCHOOL GRADES 9&10

Your school board and I have been informed by the New Hampshire State Department of Education that Errol's grades 9 & 10 may not be approved for the 1983-84 school year. Because of the impact, this would have on the students who remained in Errol and on the community itself your school board has requested a meeting with representatives of the State Department to explore options available to it for the coming year. Based on the results of the meeting recommendations will be formulated and made available to everyone at a later time.

Errol's grades 9 & 10 have never met the New Hampshire High School Standards adopted in 1963. These standards are now under review and are scheduled to be completely changed by July 1, 1984. The expectation is that the new standards will be even more stringent than the present ones. Therefore, whether one considers the 1963 standards or the new ones expected to be adopted in the near future, it really does not matter because Errol will not meet the requirements of either one. Needless to say the approval status of your high school grades needs to be addressed and soon!

ENROLLMENT

The 1982-83 enrollemnt in Errol has continued a decrease, which began when Upton students moved to Bethel two years ago:

	1980-81	1982-83
Grade 1	7	7
Grade 2	2	5
Grade 3	3	2
Grade 4	1	3
Grade 5	4	1
Grade 6	2	3
Grade 7	11	2
Grade 8	6	10
Grade 9	4	2
Grade 10	2	2
Special	1	1
	<hr/> 43	<hr/> 38

BUDGET

The proposed 1983-84 budget totals \$178,227.00. This represents an increase of \$13,873.77 or 8.4% above 1982-83. The areas of increase are salaries (\$5,500.00), insurance (\$1,200.00), supplies for kindergarten (\$636.00), transportation for a handicapped child (\$900.00), tuition for a special education child (\$1,500.00), printing of the school's share of the Annual Report (\$500.00), rental for the use of the Town Hall (\$2,200.00), and renovation of the boy's bathroom (\$1,500.00). Other adjustments up and down may be found throughout the entire budget.

UREA FORMALDEHYDE PROBLEM

For all practical purposes the problem relative to urea formaldehyde gas in the school has been resolved to the degree that it can be. The ventilation system recommended by the Department of Health has been installed and is now operational. Since the spring of 1982, five tests have been taken at various intervals and though the gases have not been completely removed the level has been substantially reduced. This is not to say, however, that some effects will not be felt by a child or an adult who may be sensitive or have an allergy. On the other hand the major effects of the problem have been removed.

ERROL PARENT ASSOCIATION

The Errol Parent Association has in only a very short time become a moving force in the community but most particularly in the school. I can not overstate the importance of having the community involved in the school in a meaningful way. The Errol Association has been able to bring this about and by so doing has contributed significantly to the school and its programs. Hopefully the contributions of the Association will continue now and in the future.

SUMMARY

In closing my annual report I would like to take the opportunity to thank the Errol Parent Association for its great help to the school and the children of Errol, to the school board for the many hours it has given, to the faculty for a job well done, and all the other members of the school community who have shared so willingly in the educational process.

Respectfully,
ROBERT BELLAVANCE

ERROL CONSOLIDATED SCHOOL

Principal's Report

1982

Errol Consolidated School policies and yearly goals are an intrinsic part of the school. A school policy of up-dating student texts was continued in 1982 with the purchase of new books for the reading courses in Grades 1-6. The purchase of a new Lippincott reading program provided students with new basal readers. Also, extra materials for the program will be purchased each year. A staff goal had been to write a language arts curriculum guide. This guide was finished and is in place in each class from Grades 1-10. The subjects to be taught in language arts were approved by the State Department of Education and the guide was written with the cooperation of the Department.

The students took advantage of The Wilderness ski program with 27 boys and girls being transported by parents each Monday afternoon to the ski area. The program ended with a school winter carnival before winter vacation. The students enjoyed a full day of outdoor events including skiing, sliding, and snowshoe races; AMC provided snowshoes for each student. The winning three places in each event recieved ribbons and Cindy Lord and Robert Fields recieved the most points overall for a grand prize of a trophy. The Errol School Association provided carnival dinner and paid for the old-fashioned medicine show as entertainment.

Our enviromental studies program was continued through the AMC with their assistant coming to Errol once a month to present to the students different aspects of our outdoor surroundings.

Each year the school participates in the National Spelling Bee contest. The first round was held in the school in January and the winner, Jennifer Copp, went to Berlin for the county contest.

The middle grades enter during the year a number of poster and writing contests which included ones from the Department of Agriculture, Enviromental Protection Agency, Public Service, Colebrook Hospital (middle and lower), and the New Hampshire Young Authors' Conference. Billy Wight represents the school at the conference at Merrimack Valley High School and met with a leading children's author. A class creative writing book was sent to the conference with the students doing the book binding also.

The school Science Fair saw many projects by all grades; two winners from each group were selected by a judge. Mr. Lord took projects by Jennifer Copp and Joel Jandreau to the Manchester Solar Science Fair and both students recieved a certificate of merit for their work.

The Booster Club in Grades 7-10 remains an active part of school life. The club works and plans a Halloween Party for the school. Lori-Ann Savage, president of the club, presented a scholarship to the member of the graduating class with money earned by the group during the year. The whole student body generously contributed to the Heart Association by their wok in a Jump-A-Thon, UNICEF, and M.S. with a Read-A-Thon with Laura Copp reading the most books for this cause.

The school sports program of basketball and softball continued with coaching by Mr. Lord and Lori and Steve Marcuum. The extra time and effort involved is appreciated and a benefit to students participating in these two sports.

The students field of interests have been widened with a number of outside speakers coming into the school. Some have come to expand on various subjects being taught while others have come to present different programs to the children including: Public Service, 4-H IFYE on Greece, U. S. Postal Service on stamps, Multi-Media showing projects to make, and a book fair was on display at Open House with several students purchasing books to own.

Each year the school presents programs. The students took part in Memorial Day exercises with a parade, music, speeches, and a play under the direction of Mrs. Yates. The lower grades used plays in class as part of their reading programs. The music program is part of the school's curriculum with several student programs each year under the direction of Mrs. Bean. Lucie Baillargeon, Jennifer Copp, Nina Miller, and Samatha Wight went to Conway for the Junior High All-State Music Festival. The Errol band enjoyed an evening with the Milan band. The band and chorus presented several selections at the school Spring Music Festival, graduation, and Christmas programs.

School field trips are used as part of a child's education in certain subjects, as well as in general areas of education. Grades 7 - 10 visited Concord before starting a unit on New Hampshire history, the whole school went to Berlin for a play, and the earth station in Andover was toured as was the Colebrook Hospital where guides explained the operation of the plant.

An understanding of children is important to the school staff

as well as parents. A morning conference for parents was held in the spring with Dr. Stephen Swenson, school psychologist, speaking to a group on child problems and solutions. Donna Roberts, school nurse, presented her program to the group at this time.

The graduation class consisted of one student, Cindy Lord. The first alumni dinner was enjoyed before the graduation exercises and on the occasion many awards were presented to the students.

The Errol School Association, a group of parents and friends of the school, meet the first Wednesday of each month at the school. Through the work of the Association the school has been able to add to the enrichment program. The money from the Association enabled the school to have an Artist-In-The-Schools program with artist Mr. Bartoli working five different times with the students on clay projects. The Association sponsored Theatre For Children with a group from Vermont. They gave a scholarship to an Errol student graduating from 12th grade and they purchased 500 books for the school library. The staff appreciates their efforts and cooperation with the school. A school volunteer program has become part of this group with many helping in classrooms and tutoring. The staff gives the volunteers many thanks for their generous help in the school.

The current student enrollment for the school year '82 - '83 is 38. The staff includes:

Jane Sweatt	Grades 1 - 3
Jean Ham	Grades 4 - 6
Linda Yates	Grades 7 - 10 (English and Social Studies)
Robert Lord	Grades 7 - 10 (Math and Science)
Judy Harris	Special Education (2 days/week)

SCHOOL NURSE ANNUAL REPORT ERROL CONSOLIDATED SCHOOL

Year Ending — December, 1982

Spring of 1982 brought Errol's second Pre-School Screening Experience increases the effectiveness of such an endeavor. Mrs. Robin Henny included all the lower six grades and the upper grade hearing failures in her impedance bearing screening. This is an added advantage to our school health program.

Five referrals were made from fall school physicals with Dr. Parsons. Included are grades 1-3-5-7-9 and all children participating in sports. Dr. Parsons has alerted me that new state guidelines for sports physicals will require a more in-depth examination not possible in the school setting.

*All or part of the total amount under the starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District Officers. The School Administrative Unit No. 20 decides the Superintendent's salary for 1983 - 84 as follows: Dummer, \$634.47; Errol, \$1,979.26; Gorham, \$23,540.72; Milan, \$4,682.63; Randolph, \$1,944.77; Shelburne, \$1,699.95. The Teacher's Retirement and the State Employee's Retirement Systems assess the amount of the Superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law. All Districts are required by law to provide Unemployment Compensation and Women's Compensation.
